

Clare Davies (Head teacher and DSL)
Kere Ascot & Sharon Bisby (DDSL)
Robert Oxborough (Safeguarding Gov)
14th November 2025

Dear Parents and Carers.

What a truly wonderful week we have had with our celebration for Doe Tor in the autumnal sunshine, our first snow day of the academic year and of course our very first PJ Day. Life at TeamMTB is most definitely never dull here. In school this week there is a tangible feel of festive magic in the air as the children are busy rehearsing for our KS1 Christmas Production. The children in KS1 are busy learning their lines and the whole school are enjoying learning the songs. We can't wait to share it with you.

Christmas crafting has started in earnest with the PTFA in creating everything from salt dough decorations to printed wrapping paper and of course Christmas cards – the school has been a hive of glitter and excitement. Today we took receipt of our Rotary Christmas Tree – Miss Guest our student teacher in Class 3 has kindly offered to lead on the decorations this year with KS2. We are all incredibly excited to see the end result.

Our open morning for prospective parents have once again been well attended with parents travelling out from as far as North Lew, Sourton and Buckland near Yelverton. One parent emailed me to say *'It was so lovely to meet you Thank you again for welcoming us into your school. It was a pleasure to see the children so incredibly happy, confident, and clearly enjoying their education – it is an offer that we hope our child will be able to take advantage of. It is a very special place that you are rightfully so incredibly proud of -thank you for your time, your honesty and above all your passion to deliver the best education for the children in your care'*.

As I mentioned last week we are finalising the arrangements for the Sponsored Santa Fun Run in aid of SW Children's Hospice. The children will be running a route around our school field. The Hospice Outreach team will be in attendance to celebrate the children over the finish line. They are also hoping that there will be a very special guest making an appearance too. Please do sponsor your child following the link – the monies raised really do go directly to support families during the most unimaginable time in their lives. Finally, I love standing on the gate morning and night hearing all that you have been up to out of school to hear how our school values are lived out in our children's wider experiences is so incredibly rewarding. Plans are gathering pace for Christmas and please check the newsletter and school website for details of Christmas events. Thank you for all your commitment to and your belief and trust in our MTB family it is so gratefully received

Diary Dates:

- 24th- Funky Hair Day- Chocolate donation
- 26th – Mrs Bisby attendance CPD
Forest School for Class 2
- 27th – Mrs. Higham Sustainability Conference
Class 3 Theatre Trip
- 28th- Christingle @ St Mary's Church Mary Tavy- Reception and Yr.6 parents
Wreath Making 7pm

December

- 1st -PM Mrs Davies and Mrs Ascot attending Education Off Site training

- January – 4th INSET Day
- 5th – Children Return Back

Intent Drivers – Our Core Values

Perseverance

Aspiration

Respect

Collaboration

Headteacher Award's

Reception: Matthew – For your accelerated progress with your writing. Matthew

Class 1: Roseanna – has been working really hard on developing her cursive script. Roseanne is self-motivated to aim high in all that she undertakes. Her English work this week has demonstrated her innate creative writing style and her understanding of the grammatical features that we have been focussing on – Well done Roseanna

Class 2: Persephone-For your aspirational approach to the MTB curriculum. Persephone has an intrinsic drive to always produce work that she is proud of and is better than her last.

Class 3: Ruby – can always be relied upon to do the right thing and lives our school values in all that she undertakes. Ruby is incredibly kind and generous always looking to offer to help with roles and responsibilities and does so without seeking recognition or appreciation. In her day-to-day life in school Ruby strives to be the very best version of herself and is not only a role model but a deeply thoughtful and hardworking prefect – we are so grateful to you Ruby for always seeking opportunities to help the staff and the pupils here at TeamMTB.

Special Headteachers awards:

Evelyn – for settling in so incredibly well to life at TeamMTB for your have a go attitude to all that is on offer. Well done Evelyn you have true MTB grit and determination to succeed, and we know that you will continue to flourish under our care.

Rex – A very special Kindness award – nominated by Ruby (yr6) and her mum Millie.

On Wednesday during running club Ruby slipped over. Rex (Yr2) immediately gave her a massive cuddle and checked she was ok. When she got home that evening the first thing Ruby mentioned was how kind Rex was and how he had made him feel at that moment, this was before Ruby had even explained to her mum what had happened. Well done Rex on being so incredibly kind and for being such a wonderful TeamMTB ambassador – kindness, love and care for each and everyone of us .

Enjoy, Learn, Succeed **Reading** is to the mind, as exercise is to the body,

The more you **read**, the more you know, the more you learn, the more place you go – *Dr Seuss*

Our Tor House System

Our Tor House System promotes a positive and inclusive culture. The system is embedded to promote our School Values and promote a caring and supportive environment; where all are valued and can demonstrate loyalty and allegiance while contributing to the success of their House.

This week there will be a roll over due to the postponed celebration for Doe Tor on their success last half term. We are hopeful that next week we will have an opportunity to get up to the field for their well earned celebration.

House	Captain and Vice-Captain	Highest earners This week:	Points this Week	Points total
Hound Tor House	Iona	Rec: Sophia C1- Elowen & Sebastian C2- Jack C3- Alaia- Mai	197	355
Doe Tor House	Elizabeth	Rec: Elspeth C1- Roseanna C2- Joseph C3- Elizabeth & Violet	169	350
Fox Tor House	Harrison	Rec: Connie C1- Ember C2- Persephone C3-James	130	275
Hare Tor House	Lottie	Rec: Gracie C1- Rex C2- Evie C3-Ruby	184	402

We continue with our values education project this term. **Our house system is based on our Core Values** The values that make up our intent drivers are **Aspiration, Respect, Collaboration, Perseverance**

Our Tor House System promotes a positive and inclusive culture. The system is embedded to promote a caring and supportive environment; where all are valued and can demonstrate loyalty and allegiance while contributing to the success of their House

For various reasons next week, we will revisit our value of Respect.

Some examples of behaviours that demonstrate this value are:

We show **respect** and tolerance for everyone in our community. We **respect** ourselves and others alike, taking care of friends, family, our community and the environment. We value what others say and do and we enjoy learning about different beliefs and cultures. We **respect** one another and share our opinions, skills, knowledge and talents.

Please could you discuss **'Respect'** with children at home and explore ways to reinforce it.

Moral Value of the Week

Respect

All of us should learn how to respect every individual regardless of age, caste, creed, religion, ethnicity, faith, and also a difference of standpoint.

Here are some of the things to remember:

1. Respect is to treat others kindly without criticizing.
2. Respect is to listen, attend and treat others as we would like to be treated.
3. Respect is necessary to live in peace and harmony with our friends, family and neighbours.
4. We respect ourselves when we take care of our bodies and our health.
5. Having respect for ourselves is not letting anybody make fun of us for what we are or what we do.
6. Feeling respect for ourselves helps us to do what is right even if other people tell us to go the wrong way.
7. We should listen to others without judging them.
8. We have to learn that we have the same rights, even if we are different.
9. We need to respect our teachers in the classroom by listening to them when they are speaking.
10. We also need to greet our teachers in and outside of the classroom.

Remember it is important to learn to respect our friends and not laugh at how they look, what they like or their culture.

"One of the most sincere forms of respect is actually listening to what another has to say."

— Rosalind Wiseman

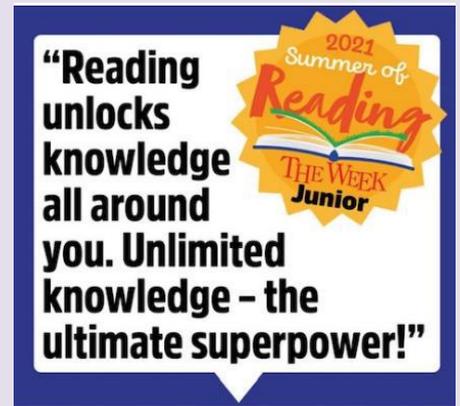

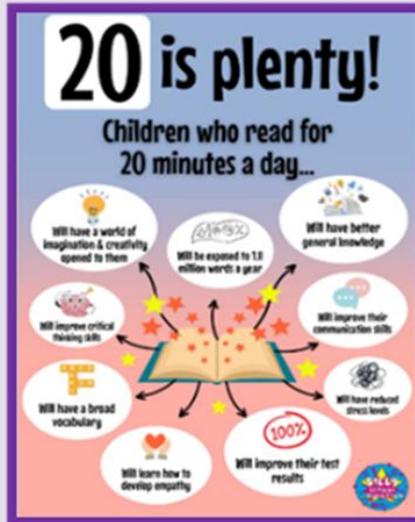

© LittleYellowStarTeaches

amazing SAT results proved we are a 'Reading School'

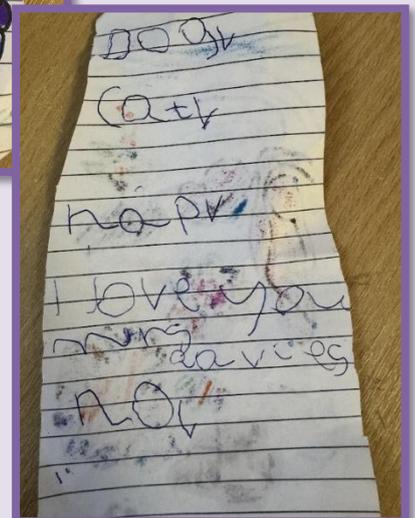

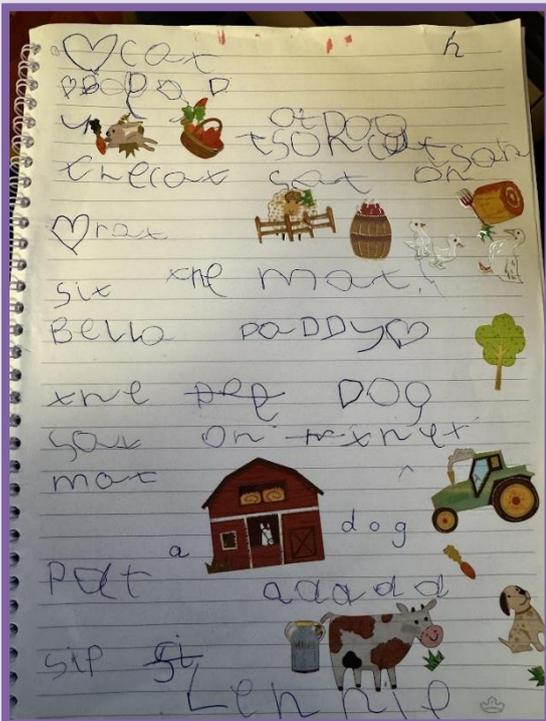

Please do try to keep up the rigour and sustain the daily reading. We cannot emphasise enough how vitally important it is that the children read with you for at least 20mins daily!!

At Mary Tavy and Brentor we believe that all pupils should have the opportunity to be fluent, confident readers who are able to successfully comprehend and understand a wide range of texts. We want to foster a love of reading exposing children to a good knowledge of a range of authors. We want our school to be a place where children are read to, enjoy, discuss and work with high quality books.

A huge thank you to Gracie in Reception who has decorated my desk this week with all her fabulous writing and drawing. It really is such a privilege to be greeted with such gifts that have been completed at home – well done Gracie.

Enjoy, Learn, Succeed Reading is to the mind, as exercise is to the body,

The more you read, the more you know, the more you learn, the more place you go – *Dr Seuss*

'Education is the most powerful weapon you can use to change the world' *Nelson Mandela*

Doe Tor celebration

♥ 🏆 ♥ 🏆 ♥
 On Monday we celebrated our winning house for Autumn 1 Term - Congratulations Doe Tor. Doe Tor demonstrated their collaboration and teamwork building a campfire to toast their marshmallows to great the most delicious s'mores and built a shelter.

We are mathematicians.

Mathematician

Please do encourage your child/ren to spend time each week accessing our online platforms. It is vitally important that they have this additional time consolidating their 'quick fire' mental math's recall.

We will be introducing weekly times table test from Year 2 and would encourage you to support your children with learning these at home. It is vital that they know all their timetables to 12 – quick-fire as in year 4 they will undertake a National Assessment against the clock.

It is imperative that all children continue to learn and practice their times tables; recall is a skill that the children must continually practice. Please do support your child/ren to access the <https://www.timestables.co.uk/multiplication-tables-check/> and another site Math Frame has many free math's games linked to the National Curriculum <https://mathsframe.co.uk/> I would encourage all children from year 2 to access these and to test themselves on the multiplication –tables check.

It is vitally important that they have this additional time consolidating their 'quick fire' mental math's recall.

Who will be on our leader board next week??????

Numbots highest user:

Reception: Reuben

Year 1: Freddie. D

Year 2: Rex

Rockstars highest user

Class 1: Louis

Class 2: Woody

Class 3: Harrison

"Pupils should be taught to recall multiplication and division facts for multiplication tables up to 12×12 ."

GOV.UK

Annually in June the Year 4's sit the Multiplication test. This is a randomised test of 25 times tables up to 12.

Aspiration we aspire to get a 100% pass rate. In order to achieve this, **we need you** to practice times tables daily.

Children in Reception and Yr.1 should be accessing this platform for at least 10min per week. Logins in your child's reading record

Children in all years from Yr. 1 should be accessing the TTRS platform weekly for at least 20min. Children in Yr. 1 need to know their 2's, 5's and 10's timetables and children in Yr. 2, need to know their 2's, 5's, 10's, 3's, and 4's times tables by the end of the year.

It is imperative that from Yr 1 upwards that you practice their times tables at home with them to ensure that they commit these to their long-term memory. **Please make this as fun as possible for maximum success.**

Enjoy, Learn, Succeed **Reading** is to the mind, as exercise is to the body,

The more you **read**, the more you know, the more you learn, the more place you go – *Dr Seuss*

'Education is the most powerful weapon you can use to change the world' *Nelson Mandela*

Curriculum Enrichment 3:15-4:30pm

Autumn 2 2025 / 26

Monday	Tuesday	Wednesday	Thursday	Friday
	1:1 Music lessons with Dan Hilman AM Plymouth Argyle football Club Year 1 + £6.60	Bell Ringing – Mr. Hinton	Craft Computer Club Yoga Dodgeball	<u>Cross Country Club – Lunchtimes</u> Yr 2 3,4,5,6

Wrap Around Care. Breakfast Club daily is available from 7:45-8:45am at a cost £4:00 before 8:15am and £1:50 after 8:15am
 Our After School Provision 15:15- 17:30 is available at a cost of £9:50
 Please contact the admin team if you would like to book your child onto either of these last minute as I wish for the provision to be as helpful as possible to our families. For those who know their requirements in advance please complete the parent mail form that is sent out a week in advance.

We are Musicians.

Dan delivers 1:1 music lessons on a Tuesday morning weekly.

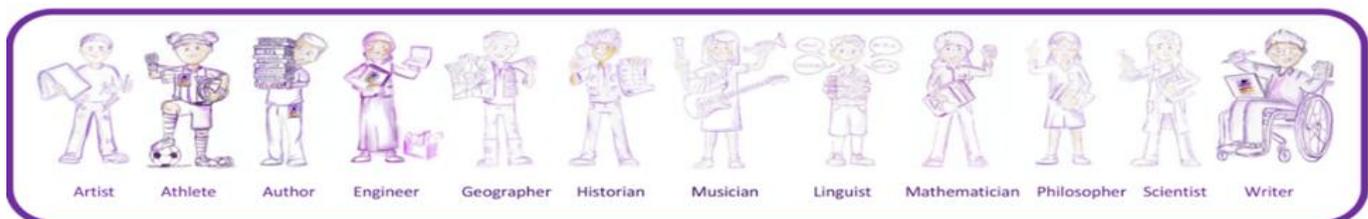

We love our mornings when Dan is in to deliver the 1:1 music lessons as part of our Music Wider Opportunities Offer. Our Musician in Residence Dan Hillman is currently providing Flute, Piano, Guitar and Clarinet. Lessons. Dan is a multi-instrumentalist specialising in saxophones, clarinet, EWI and flute with over 11 years' experience in the music industry. He has both classical and jazz training. As a teacher, Dan is on the faculty of colleges and schools in Devon teaching individuals and classes. He freelances for the Tavistock Area Learning Community as a class instrument tutor.

Musician

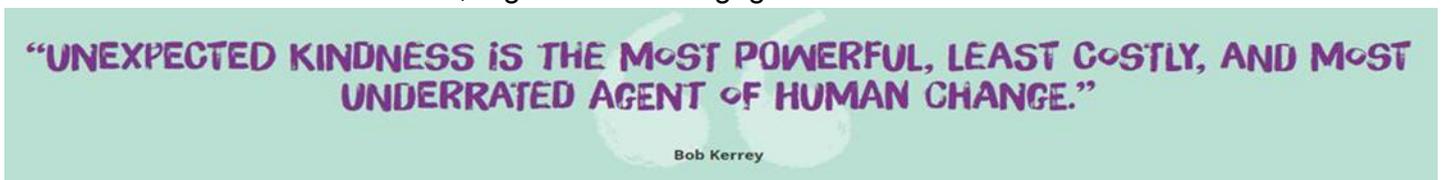

What we know about how children learn, is that when we teach children skills and knowledge in isolation, like punctuation in English, they rarely make links to other subjects. Even when they are writing about Brunel in History or how plants grow in science, they tend to forget how to apply the same English skills. This is in part because the information stored in the brain is locked up in the 'English folder', and why would they open that box when they are in History or Science?

We believe States of Being move away from content in subject folders and uses clusters of knowledge that can easily be applied between subjects. By learning how to punctuate as an Author, they can use this knowledge when they are being Scientists as they start to understand that Scientists also need to write to convey what they have discovered. Please remember to ask your child As a Historian, Engineer, Mathematician what have you been discovering today????

MTB's 3Rs Reflect, Reset, Ready to Learn

Please continue to support and drive home our Positive Behaviour Policy, three warnings on the board will lead to reflection time either in a parallel class or with myself. The children complete a reflection sheet to assist with de-escalation, regulation and engagement.

Team MTB PTFA

MTB Cake Raffle Congratulations to Lily (Yr3) on winning the most deliciously smelling Oreo cookies. A huge thank you to Anya (Yr4) and her mum for generously donating them

Chairs: Kayleigh Goodman and Millie Bickell

Treasurer: Gemma Insole

Secretary: Janna Sanders

Involvement, help and support in any capacity will be welcomed at any time throughout the year. We have decided that for each event planned in our calendar we will have a Working Party for parents/carers to volunteer their time to organise and run these events.

The next event is the Team MTB Pumpkin Patch. Please do come forward to offer your time and support to enable this event to be truly memorable.
