26th September 2025

Dear Parents and Carers.

Gosh we have really noticed a change in the weather this week as the September sunshine has finally made an appearance. We have taken every opportunity to get the children outside and have had a great week with our children, now really settled in their classes and enjoying their learning. Today, Running Club really did make the most of the September sunshine on their run out onto the moor, a huge thank you to Mrs Davey, Mr Finnimore and Mr Hinton for their commitment to our offer.

Our newest Team Members across the school are enjoying their first experiences fully immersed in the day-to-day life of our school community. We can most definitely agree that we have seen our Core values our Intent Drivers in action across our school MTB community. We have been looking at British Values this week and learnt all about what living in a Democracy means. Today four of our prefects stood for the positions of Chair and Vice Chair, bravely pitching their manifestos to the school in a special assembly. We then held a ballot with a ballot box and ballot paper, and all the children passed their individual vote. In our Celebration Assembly this afternoon I announced the successful candidates Chair of the School Council is Rupert Head and the Vice Chair is Thomas Cossens.

This week I had the pleasure of attending the PTFA AGM, an opportunity to celebrate all that we achieved last year in raising funds to support our school community. My sincerest thanks to them, their families and the wider committee for their commitment, personal time and expertise. We are already planning a wealth of opportunities for the children and are particularly excited to share that the PTFA are highly subsidising three theatre trips so that the cost to families is only £10 per child. Class 1 are going to see The Snowman, Class 2 are going to the Pantomime and Class 3 are going to see The Lion the Witch and the Wardrobe. Without the support of the PTFA events like this simply would not be conceivable as the cost of the coaches alone is astronomical to Plymouth and back.

I am fully appreciative of all the efforts of you all who support the many events that we plan to enable us to give back to our wonderful ambassadors.

Reception – Connie – What a fantastic start to your school life with us Connie, this week you have shown increasing confidence and familiarisation with our school routines, and it has been so lovely to see you persevering when writing new graphemes daily a task that initially you were reluctant to do – well done Connie.

Class 1: Rosie – for a truly tremendous week working independently, staying focused, listening to advice and using the available resources before asking an adult. We are so incredibly proud of your progress Rosie – well done.

Class Two: Ammanuel– for demonstrating perseverance in your writing. We are incredibly proud of you and your progress with us we are excited to read more of your ideas in due course

Class Three - Florence- For settling in so incredibly well to life at TeamMTB.. All of your work is produced to a highest standard and you are already living out our school values in all that you do – well done Florence.

Special Head teacher award to our amazing Year 6 prefects who made both Mr. Hinton and I so incredibly proud with the way that they conducted themselves at the Life Skills event in Tavistock

We continue with our values education project this term. **Our house system is based on our Core Values** The values that make up our intent drivers are **Aspiration, Respect, Collaboration, Perseverance**

Our Tor House System promotes a positive and inclusive culture. The system is embedded to promote a caring and supportive environment; where all are valued and can demonstrate loyalty and allegiance while contributing to the success of their House

The aims of the of our House system are

- Promote positive self-esteem, self-identity, belonging, integrity and pride amongst all children
- Peer support to help promote positive mental health.
- Promotion of responsibility and pupil voice, teamwork, cooperation, communication and leadership skills for the prefects
- Constant and consistent encouragement for children by their peers to achieve their best.
- Develop a common goal so that children **feel more connected to and involved with the school community around them.** It facilitates discussions between the most infant and most senior of our school and foster friendly competitive spirit along the way.

Our States of Being.

Launch of RESPECT value

Our second value for this term is **Respect**.

Some examples of behaviours that demonstrate this value are:

We show **respect** and tolerance for everyone in our community. We **respect** ourselves and others alike, taking care of friends, family, our community and the environment. We value what others say and do and we enjoy learning about different beliefs and cultures. We **respect** one another and share our opinions, skills, knowledge and talents.

Please could you discuss **'Respect'** with children at home and explore ways to reinforce it.

Thank you to all parents/carers who are supporting our drive to reading excellence in school. Our amazing SAT results proved we are a 'Reading School' Please do try to keep up the rigour and sustain the daily reading. We cannot emphasise enough how vitally important it is that the children read with you for **at least 20mins** daily!!

At Mary Tavy and Brentor we believe that all pupils should have the opportunity to be fluent, confident readers who are able to successfully comprehend and understand a wide range of texts. We want to foster a love of reading exposing children to a good knowledge of a range of authors. We want our school to be a

place where children are read to, enjoy, discuss and work with high quality books.

It has been such a pleasure to hear how impressed Parents/Carers are with our new improved more convenient Reading Folders and Reading Diaries. Over the Summer

break we have reflected on your feedback and how we can make the recording of daily reading more streamlined and linked to our incentive scheme.

Please ensure that the reading folder in school every day and that you record your child's reading at home.

Your child will take home a Pie Corbett reading spine book for your child's year

The newly introduced weekly Spelling test taken from the statutory lists for the current year and the previous year that your child needs to know are now in full swing. Please do take time to look at these and support your child to commit these to memory. It really does impact immensely on their writing when they have the automaticity to spell common words.

It is incredibly important that your child does not lose this folder, and I ask that you are meticulous about ensuring that you keep it in a safe place at home.

We are mathematicians.

Mathematician

Please do encourage your child/ren to spend time each week accessing our online platforms. It is vitally important that they have this additional time consolidating their 'quick fire' mental math's recall.

We will be introducing weekly times table test from Year 2 and would encourage you to support your children with learning these at home. It is vital that they know all their timetables to 12 – quick-fire as in year 4 they will undertake a National Assessment against the clock.

It is imperative that all children continue to learn and practice their times tables; recall is a skill that the children must continually practice. Please do support your child/ren to access the <https://www.timestables.co.uk/multiplication-tables-check/> and another site Math Frame has many free math's games linked to the National Curriculum <https://mathsframe.co.uk/> I would encourage all children from year 2 to access these and to test themselves on the multiplication –tables check.

It is vitally important that they have this additional time consolidating their 'quick fire' mental math's recall.

Annually in June the Year 4's sit the Multiplication test. This is a randomised test of 25 times tables up to 12.

Aspiration we aspire to get a 100% pass rate. In order to achieve this, **we need you** to practice times tables daily.

Children in Reception and Yr.1 should be accessing this platform for at least 10min per week. Logins in your child's reading record

Children in all years from Yr. 1 should be accessing the TTRS platform weekly for at least 20min. Children in Yr. 1 need to know their 2's, 5's and 10's timetables and children in Yr. 2, need to know their 2's, 5's, 10's, 3's, and 4's times tables by the end of the year.

It is imperative that from Yr 1 upwards that you practice their times tables at home with them to ensure that they commit these to their long-term memory. **Please make this as fun as possible for maximum success.**

KS3 Provision

KS3 provision – in this section of our weekly newsletter we will continue to bring you updates from our Alumni as they navigate the transition to Year 7 at our various feeder schools. We will also signpost you to events that we think you may be interested in. Please do not hesitate to contact me if you would like to discuss thoughts that you have regarding your child's future provision, I am more than happy to talk through the various local providers. I will arrange a parent meeting for parents of children in Year 6 to meet with parents / teachers/ transition staff from local schools which are more bespoke and personal than the 'Open days' to ensure that you are armed with as much information as is possible to support your decisions.

Online applications for places to Devon secondary school are open now.
The closing date for applications is the 31st of October 2025

Homework- Sent out on a Thursday to be returned completed on a Tuesday.

Please contact your child's class teacher if you have any concerns.

Homework plays an integral part in ensuring that we collectively support your child to achieve their very best whilst with us. It provides a window into what they are learning in school and affords you as parents/carers direction in how you can support them to achieve.

I am aware that you all have very busy lives and that for many the children have a full calendar of extra-curricular commitments e.g. swimming, rugby, cycling, football etc. but I really do encourage you to spend time with your child completing their homework activities. I know that staff have prepared activities that your child can access and for some with additional support, but it is imperative that this additional time to consolidate their learning takes place if we are to commit their learning into their long-term memory.

If you need additional

What we know about how children learn, is that when we teach children skills and knowledge in isolation, like punctuation in English, they rarely make links to other subjects. Even when they are writing about Brunel in History or how plants grow in science, they tend to forget how to apply the same English skills. This is in part because the information stored in the brain is locked up in the 'English folder', and why would they open that box when they are in History or Science?

We believe States of Being move away from content in subject folders and uses clusters of knowledge that can easily be applied between subjects. By learning how to punctuate as an Author, they can use this knowledge when they are being Scientists as they start to understand that Scientists also need to write to convey what they have discovered. Please remember to ask your child As a Historian, Engineer, Mathematician what have you been discovering today????

MTB's 3Rs Reflect, Reset, Ready to Learn

Please continue to support and drive home our Positive Behaviour Policy, three warnings on the board will lead to reflection time either in a parallel class or with myself. The children complete a reflection sheet to assist with de-escalation, regulation and engagement.

"UNEXPECTED KINDNESS IS THE MOST POWERFUL, LEAST COSTLY, AND MOST UNDERRATED AGENT OF HUMAN CHANGE."

We are citizens

What a wonderful morning we spent at Tavistock Town Hall this week as our prefects attended a variety of exhibitions to prepare them for keeping safe as they transition into growing independence. We met representatives from the RNLI, EE, Fire Service, Woodgreen Animal Centre, Dartmoor National Park, Gas and Electricity Safety. A huge thank you to West Devon Borough Council for staging this event and of course to our ambassadors who really did make us incredibly proud with their respect and engagement – they really did shine.

The first event for our Prefects to plan and deliver is our Annual Macmillan Cake Sale which this year will be held on the 3rd of October

Please do provide as many cakes and bakes as you are able to for both this worthy cause and to support our new prefects. Last year we raised £270 we are hoping to surpass this,

this year

If you are able to bring cake, either homemade or shop-bought, please deliver it to school on Friday morning when the prefects will be outside awaiting your deliveries. We then need lots of you to come along and buy a slice of cake so we can raise some funds for this wonderful cause. Please remember to bring some coins at the end of the day to buy a cake. Thanks in advance for your support for Macmillan - and your cakes...

Our Team MTB election

Today we held our School Council Chair and Vice Chair elections. Our brave candidates stood up in assembly and individually spoke to the electorates sharing their manifestos. The candidates then had the opportunity to pitch once again, before our electorate took to the ballot box, finally, folding up their paper and posting their ballot. Every child cast their vote including our newest Reception children who cast their votes supported by their teachers. Congratulations to Rupert who has been duly elected Chair of the School Council and Thomas the Vice Chair.
