Dear Parents and Carers.

As we come to the end of our second full week, I reflect on the wealth of opportunities that we have. Our school family is now well settled into our normal routines. Our new Reception children are fully immersed in our offer, and it was so lovely to see them all dressed up today. What a truly TeamMTB bonkers day it was. As we celebrated Roald Dahl day in style, with so many fantastic and magical costumes and a wide array of activities, from Roly Poly Birds and melted chocolate in Reception, Golden ticket hunt and the creation of their very own chocolate factory in Class 1, Persuasive letters to Willy Wonker requesting to be the final recipient of the Golden ticket in Class 2, along with a Roald Dahl Kahoot and in Class 3 they explored characterisation and researched Roald Dahl with wonderful artwork to complement their texts.

Next week, we will focus on our British Values and in particular we will be thinking about what living in a Democracy means. We will be holding our in-class elections for our School Council representatives and I encourage you to support your child to put themselves forward for nomination. We will hold our first round of elections for our new Civic Leaders our Chair and Vice Chair. I am so looking forward to seeing who will bravely put themselves forward as candidates to stand in our election. Next week, they will be preparing their manifestos to share with the school community in Friday's assembly. It really is such a vital role in helping to shape MTB this academic year. In addition to the Chair and Vice Chair roles. I will be also appointing curriculum ambassadors to support our States of Being work. Our curriculum leaders who will drive our curriculum forward supporting the work of the subject lead teachers.

Thank you for all your care and support, we are a fantastic school community, and it is an absolute pleasure to serve you all in my role as Headteacher

Headteacher Award's

Reception – Elspeth – For your amazing blending when Mrs. Davey segments the sounds in Phonics. Elspeth is loving our Little Wandle daily phonic lessons and always is keen to participate and demonstrate her understanding- well done Elspeth

Class 1: Louis For a fantastic start to year 2. You embody our school values in all that you do and are a fantastic role model to Year 1's. Your excellent effort across all aspects of learning, from your daily task work, spelling tests and homework to your beautifully joined handwriting is truly exceptional. Well done, Louis

Class Two: Woody- has made an astonishing start to the year demonstrating our school values in all aspects of school life with renewed confidence, maturity and engagement. Woody you are the embodiment of our school values in all that you do and undertake, and we can't wait to see what this year holds in store for you.

Class Three - Theo: For rising to the challenge of Yr.6 and demonstrating both Perseverance and Aspiration to tackle the most challenging of questions. Theo can always be relied upon to 'stretch himself in the reasoning and problem- solving questions and is now demonstrating his ability to apply his understanding across all aspects of the curriculum. Well done, Theo is truly an MTB ambassador.

We continue with our values education project this term. **Our house system is based on our Core Values** The values that make up our intent drivers are **Aspiration, Respect, Collaboration, Perseverance**

Our Tor House System promotes a positive and inclusive culture. The system is embedded to promote a caring and supportive environment; where all are valued and can demonstrate loyalty and allegiance while contributing to the success of their House

The aims of the of our House system are

- Promote positive self-esteem, self-identity, belonging, integrity and pride amongst all children
- Peer support to help promote positive mental health.
- Promotion of responsibility and pupil voice, teamwork, cooperation, communication and leadership skills for the prefects
- Constant and consistent encouragement for children by their peers to achieve their best.
- Develop a common goal so that children **feel more connected to and involved with the school community around them.** It facilitates discussions between the most infant and most senior of our school and foster friendly competitive spirit along the way.

Our States of Being.

Launch of Cooperation value

Our values education project is aimed at teaching our children four values through the school year through assemblies, stories and lessons, and having a reward system to praise children who adhere to these values. Our first value for this term is Cooperation. Some examples of behaviours that demonstrate this value are:

- Listening Assertiveness to speak out/ being willing to share opinions.
- Sharing Using own skills/talents/abilities for others.
- Taking turns Willingness to sacrifice own views/ thoughts for others.
- Teamwork Positivity – spotting good in others. Awareness of others and their needs Negotiation
- Empathy Patient, reconciliatory, solution-focused, compromising.
- Helping and encouraging others. Please could you discuss ‘**Cooperation**’ with children at home and explore ways to reinforce it.

Thank you to all parents/carers who are supporting our drive to reading excellence in school. Our amazing SAT results proved we are a 'Reading School' Please do try to keep up the rigour and sustain the daily reading. We cannot emphasise enough how vitally important it is that the children read with you for **at least 20mins** daily!!

At Mary Tavy and Brentor we believe that all pupils should have the opportunity to be fluent, confident readers who are able to successfully comprehend and understand a wide range of texts. We want to foster a love of reading exposing children to a good knowledge of a range of authors. We want our school to be a

place where children are read to, enjoy, discuss and work with high quality books.

It has been such a pleasure to hear how impressed Parents/Carers are with our new improved more convenient Reading Folders and Reading Diaries. Over the Summer

break we have reflected on your feedback and how we can make the recording of daily reading more streamlined and linked to our incentive scheme.

Please ensure that the reading folder in school every day and that you record your child's reading at home.

Your child will take home a Pie Corbett reading spine book for your child's year

The newly introduced weekly Spelling test taken from the statutory lists for the current year and the previous year that your child needs to know are now in full swing. Please do take time to look at these and support your child to commit these to memory. It really does impact immensely on their writing when they have the automaticity to spell common words.

It is incredibly important that your child does not lose this folder, and I ask that you are meticulous about ensuring that you keep it in a safe place at home.

We are mathematicians.

Mathematician

Please do encourage your child/ren to spend time each week accessing our online platforms. It is vitally important that they have this additional time consolidating their 'quick fire' mental math's recall.

We will be introducing weekly times table test from Year 2 and would encourage you to support your children with learning these at home. It is vital that they know all their timetables to 12 – quick-fire as in year 4 they will undertake a National Assessment against the clock.

It is imperative that all children continue to learn and practice their times tables; recall is a skill that the children must continually practice. Please do support your child/ren to access the <https://www.timestables.co.uk/multiplication-tables-check/> and another site Math Frame has many free math's games linked to the National Curriculum <https://mathsframe.co.uk/> I would encourage all children from year 2 to access these and to test themselves on the multiplication –tables check.

It is vitally important that they have this additional time consolidating their 'quick fire' mental math's recall.

"Pupils should be taught to recall multiplication and division facts for multiplication tables up to 12×12 ."

GOV.UK

Annually in June the Year 4's sit the Multiplication test. This is a randomised test of 25 times tables up to 12.

Aspiration we aspire to get a 100% pass rate. In order to achieve this, **we need you** to practice times tables daily.

Children in Reception and Yr.1 should be accessing this platform for at least 10min per week. Logins in your child's reading record

Children in all years from Yr. 1 should be accessing the TTRS platform weekly for at least 20min. Children in Yr. 1 need to know their 2's, 5's and 10's timetables and children in Yr. 2, need to know their 2's, 5's, 10's, 3's, and 4's times tables by the end of the year.

It is imperative that from Yr 1 upwards that you practice their times tables at home with them to ensure that they commit these to their long-term memory. **Please make this as fun as possible for maximum success.**

KS3 Provision

KS3 provision – in this section of our weekly newsletter we will continue to bring you updates from our Alumni as they navigate the transition to Year 7 at our various feeder schools. We will also signpost you to events that we think you may be interested in. Please do not hesitate to contact me if you would like to discuss thoughts that you have regarding your child's future provision, I am more than happy to talk through the various local providers. I will arrange a parent meeting for parents of children in Year 6 to meet with parents / teachers/ transition staff from local schools which are more bespoke and personal than the 'Open days' to ensure that you are armed with as much information as is possible to support your decisions.

Online applications for places to Devon secondary school are open now.

The closing date for applications is the 31st of October 2025

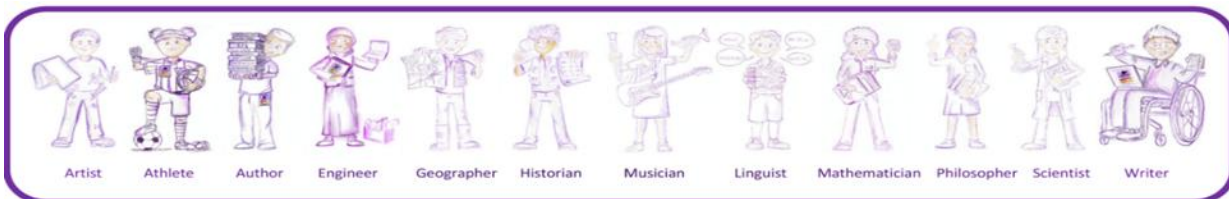

A Huge MTB Good Luck to all those sitting the 11+ examinations this weekend at Devonport.

We know how incredibly hard you have worked with your additional studies to sit these examinations, and we wish you the very best

What we know about how children learn, is that when we teach children skills and knowledge in isolation, like punctuation in English, they rarely make links to other subjects. Even when they are writing about Brunel in History or how plants grow in science, they tend to forget how to apply the same English skills. This is in part because the information stored in the brain is locked up in the 'English folder', and why would they open that box when they are in History or Science?

We believe States of Being move away from content in subject folders and uses clusters of knowledge that can easily be applied between subjects. By learning how to punctuate as an Author, they can use this knowledge when they are being Scientists as they start to understand that Scientists also need to write to convey what they have discovered. Please remember to ask your child As a Historian, Engineer, Mathematician what have you been discovering today????

MTB's 3Rs Reflect, Reset, Ready to Learn

Please continue to support and drive home our Positive Behaviour Policy, three warnings on the board will lead to reflection time either in a parallel class or with myself. The children complete a reflection sheet to assist with de-escalation, regulation and engagement.

"UNEXPECTED KINDNESS IS THE MOST POWERFUL, LEAST COSTLY, AND MOST UNDERRATED AGENT OF HUMAN CHANGE."

✿ A heartfelt message from the PTFA ✿

Wow – what an unforgettable evening! We want to say a huge THANK YOU to everyone who came along to support our comedy night. From start to finish, the room was filled with laughter, smiles, and an incredible community spirit that made the night so special.

We are absolutely thrilled to announce that, thanks to your generosity and support, we raised an outstanding £1,907.69 for our wonderful school! 🙌

Every penny will go towards creating even more amazing opportunities for our children – from helping to fund our brand-new outdoor classroom to supporting exciting educational trips and enrichment days that make learning truly come alive.

Events like these wouldn't be possible without the kindness, enthusiasm, and encouragement of our fantastic school community. You really are the heart of everything we do, and we are so grateful for the joy, energy, and generosity you bring.

Here's to many more nights of fun, laughter, and making a real difference together! ❤️

Roald Dahl Day

What a wonderful day had by all at #TeamMTB ♥ celebrating Roald Dahl Day!

♥ Fantastic effort by all with brilliant outfits. We've had a great day dressing up as our favourite Roald Dahl characters, beginning the school term sending our imaginations whizzing and igniting our passion for reading!

Roald Dahl's writing has delighted children and adults alike across the world for decades! His writing promotes absolute fun, the quest for magic in our daily lives, and (perhaps most importantly) the never-ending love of reading.

'So Matilda's strong young mind continued to grow, nurtured by the voices of all those authors who had sent their books out into the world like ships on the sea. These books gave Matilda a hopeful and comforting message: You are not alone.'

On #RoaldDahlDay, this message rings most true.

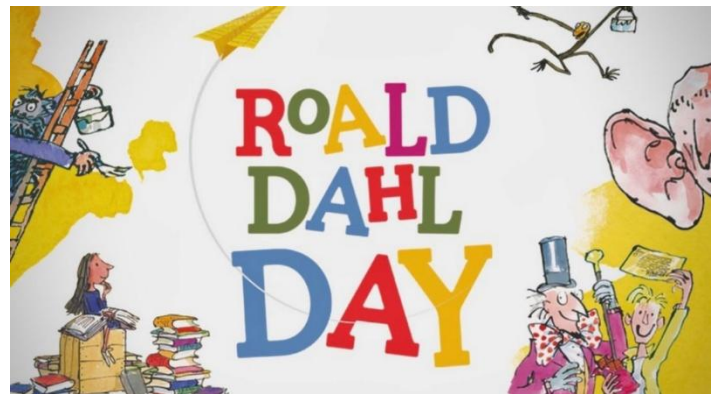

At #TeamMTB we set our pupils up to become voracious readers, fostering a lifelong love of books as they enjoy titles including George's Marvelous Medicine, Matilda and Charlie and the Chocolate Factory
