

Clare Davies (Head teacher and Designated Safeguarding Lead)
Kere Ascot & Sharon Bisby (Dep Safeguarding Leads)
Robert Oxborough, Sharon Claridge (Safeguarding Governors)

Dear Families and wider supporters of TeamMTB.
Wow! What a week that was and how thankful we were for a few days of truly beautiful sunshine. As always at TeamMTB we try desperately to make the most of a break in the weather and oh boy did we have a fabulous time up at our school field when there was a break in the relentless precipitation. Our pond is teeming with insects from frog spawn to newts the children have been enjoying pond dipping, splashing about in our river and above all collaborating with each other. I am always so grateful to you for ensuring that your children have all that is necessary each day from swimming kits, to forest school clothes to WBD costumes to running kits I am aware that it can be somewhat overwhelming at times but I want to assure you that your efforts are so appreciated by us all.

I wanted to say a huge thank you for the effort that you and your children put into our World Book Day 2026 costumes. It was great to see all the wonderful outfits on display on Thursday. Your creativity and originality are hugely appreciated; the children were so incredibly proud as they took to the red carpet to share the inspiration behind their character choice and to inspire others to read their chosen book. The children enjoyed a fulfilling day with lots of reading and book-based activities. I am sure that with your continued encouragement we will continue together to help to foster a love of reading in all our children.

I am delighted to share with you that our Yr6's have now formally received their offers for secondary schools the vast majority will be transferring to Tavistock College in addition to this children have been offered places at an independent agricultural boarding college and a place at St. Boniface. A notable congratulations to Elizabeth who having passed her 11+ with a score that enabled her to choose which grammar school she would like to attend, Elizabeth has selected Plymouth High School for Girls

Next week, is jam packed once again, as we celebrate National Science Week. I am so looking forward to seeing your Egg Mobiles in the competition on Wednesday and of course we look forward to our whole school trip on Friday.

Diary Dates:

March 9-13th Science Week

10th – Mrs. Higham Early Years Music Conference
Mrs. Bisby Mentally Healthy Schools Conference
11th – **Annual MTB Egg mobile race**

Forest School Class 3

12th – Mrs., Davies out at Devon Head's meeting

13th – Whole School trip to Dartmoor Zoo.

17th – TAG rugby competition Yr 5/6 team. Those who are selected will be informed via email.

18th – Magistrates in the community visit and workshop with Class 3.

Forest School Class 1

19th – Methodist Assembly

KS2 Choir to sing at Exeter Cathedral – collection from the Cathedral

23rd – Devon attendance forum - Mrs. Davies
Mrs Ascot attending Maths Curriculum Lead meeting.

24th – Mr. Finnimore to attend PE curriculum lead training.

25th – Mrs. Davey and Miss. Vallance to visit another Outstanding School to see their EYFS provision.

Forest School Class 2

Cross Country race Yelverton – KS1 runners invited to take part in a special XCountry race.

Mrs. Ascot to Tavistock College -Transition to KS3.

27th – Mrs Ascot to visit another Outstanding School to look at curriculum delivery.

29th – Tavy13 Primary School Challenge

30th – Last swimming lessons of this year.

31st – Peninsula Dental School visit to KS1

Full Governing Board Meeting 5pm

April –

1st – Easter Service 2pm – Reception and Year 6 parents

2nd – PTFA Duck Race and Last day of term

2nd – Break up for Easter.

20th – ALL back. Noah starting with us in Yr.3

Intent Drivers – Our Core Values

Perseverance

Aspiration

Respect

Collaboration

Headteacher Awards

Reception: Mia: For always living our school values in all that she undertakes but most notably this week in her writing linked to the history focus on family trees. Congratulations Mia- you are most definitely Year 1 ready.

Class 1: Maya- For your aspiration and perseverance this week. You have worked so incredibly hard and we are so proud of all your progress across all aspects of the curriculum.

Class 2: Bobby- For your increased perseverance across all areas of the curriculum. All staff have commented on your positive attitude to learning and this has been demonstrated by your increased independence and focus- well done Bobby, we know you can do it – we are so proud of all that achieved today and your mature attitude.

Class 3: Frederick- This week you have demonstrated more resilience in your learning, taking more risks and having a go – this perseverance and aspiration to succeed has enabled you to aspire to complete tasks that you would have previously been reluctant to attempt particularly in your maths. Well, done Frederick.

Our Tor House System

Our Tor House System promotes a positive and inclusive culture. The system is embedded to promote our School Values and promote a caring and supportive environment; where all are valued and can demonstrate loyalty and allegiance while contributing to the success of their House.

This week there will be a roll over due to the postponed celebration for Doe Tor on their success last half term. We are hopeful that next week we will have an opportunity to get up to the field for their well earned celebration.

House	Captain and Vice-Captain	Highest earners This week:	Points this Week	Points total
Hound Tor House	Iona	Rec: Isabella C1- Freddie.C C2- Rafferty C3- Alaia- Mai	256	618
Doe Tor House	Elizabeth	Rec: Sybil C1-Bohdi C2- Joseph/Rafferty C3- Elizabeth	247	304
Fox Tor House	Harrison	Rec: Daphne C1- Edward C2- Andrii C3- James	170	412
Hare Tor House	Lottie	Rec: Reuben C1- Otilie C2- Aruvi C3-Bill/Harry	186	516

We continue with our values education project this term. **Our house system is based on our Core Values** The values that make up our intent drivers are **Aspiration, Respect, Collaboration, Perseverance**

Our Tor House System promotes a positive and inclusive culture. The system is embedded to promote a caring and supportive environment; where all are valued and can demonstrate loyalty and allegiance while contributing to the success of their House

Launch of our Aspiration value

Aspiration, Respect, Collaboration, Perseverance

Launching the next value in our values education project,

Launch of Respect value

Our values education project is an endeavor aimed at teaching our children four values through the school year through assemblies, stories and lessons, and having a reward system to praise children who adhere to these values. The values that make up our intent drivers are

Our value for next week remains as **Respect.**

Some examples of behaviours that demonstrate this value are:

We show **respect** and tolerance for everyone in our community. We **respect** ourselves and others alike, taking care of friends, family, our community and the environment. We value what others say and do and we enjoy learning about different beliefs and cultures. We **respect** one another and share our opinions, skills, knowledge and talents.

Please could you discuss **'Respect'** with children at home and explore ways to reinforce it.

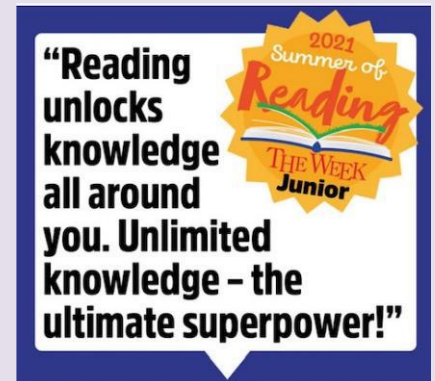

"UNEXPECTED KINDNESS IS THE MOST POWERFUL, LEAST COSTLY, AND MOST UNDERRATED AGENT OF HUMAN CHANGE."

Bob Kerrey

Thank you to all parents/carers who are supporting our drive to reading excellence in school. Our amazing SAT results proved we are a 'Reading School' Please do try to keep up the rigour and sustain the daily reading. We cannot emphasise enough how vitally important it is that the children read with you for **at least 20mins** daily!!

At Mary Tavy and Brentor we believe that all pupils should have the opportunity to be fluent, confident readers who are able to successfully comprehend and understand a wide range of texts. We want to foster a love of reading exposing children to a good knowledge of a range of authors. We want our school to be a place where children are read to, enjoy, discuss and work with high quality books.

• World Book Day 2026

Wow wow wow! What an amazing day we had celebrating our love of reading here at MTB for #worldbookday2026

It was amazing hearing all the reasons why the children have come in their outfits and why they enjoy their book so much- thank you everyone for such brilliant effort

We celebrated the magic of storytelling, the power of imagination, and the joy of reading. Whether you're diving into an adventure, exploring new, or discovering fascinating facts, books have the incredible ability to transport us to places beyond our imagination.

At #TeamMtb, we're passionate about fostering a love for literature in our Pupils. From classic tales to contemporary masterpieces, our classroom book corners, and school library offer endless opportunities for exploration and learning with our MTB Reading Spine at the of all that we offer.

Enjoy, Learn, Succeed **Reading** is to the mind, as exercise is to the body,
The more you **read**, the more you know, the more you learn, the more place you go – *Dr Seuss*

Team MTB success

Congratulations to Lily – Rae (Yr. Rec) For completing stage 2 in her swimming lessons.

Congratulations to Lorien (Yr.3) who performed a violin solo at the Wadebridge Festival of Music and Speech today. Lorien was commended for her competent, mature performance ... “showing great promise” and “one to watch” - she was the youngest violin performer there!! Well, done Lorien we are so proud of you.

Congratulations Hare Tor

🏆 On Tuesday we celebrated our winning house for Spring 1 Term - Congratulations Hare Tor.
 ❤️ Hare Tor demonstrated their collaboration and teamwork building a campfire to toast their marshmallows, shelter building, whittling, tree climbing, and bug hunting.

Aston (Science peer ambassador) and I are busy planning a varied, program of science, technology, engineering, and math's activities to celebrate British Science week, **9-13th March**. The theme this year is **'Curiosity: What's your question? It is all about empowering and encouraging our children to embrace their passions, finding the answers to their most burning STEM questions.**

Our INTENT is to inspire and encourage our children to be excited and engage with science, to ASPIRE to become ambassadors for science, and ultimately to be empowered to challenge and influence British science in the future through their career choices.

We would like to invite parents/carers and those in our community who are in STEM careers to come into school to share their experience with the children to inspire them to follow STEM careers. Please contact

admin@marytavvandbrentor.devon.sch.uk if you are able

to come in.

This year we will kick off Science week with hands on investigations, mid-way through the week we will hold our highly anticipate Egg Mobile Race and this year we will finish the week with a visit to Dartmoor Zoo – a fully funded trip paid for by the PTFA. The visit will afford our STEM ambassador the opportunity to ask the Zookeepers the questions they have about the animals at the zoo.

Friday 13th March 2026

Whole school trip to Dartmoor Zoo fully funded by the PTFA.

The visit will be during the school day and so normal drop off and collection.

Please ensure your child is wearing their full school uniform with trainers.

Please do not book a school dinner for this day. All children will need a packed lunch and a water bottle.

Enjoy, Learn, Succeed **Reading** is to the mind, as exercise is to the body,
 The more you **read**, the more you know, the more you learn, the more place you go – *Dr Seuss*
 'Education is the most powerful weapon you can use to change the world' *Nelson Mandela*

Great MTB Egg Race Competition

I am a scientist.

As Part of our Science Week, we would like to invite you to design a mode of transport to transport an egg the greatest distance. We hope this will be one of the highlights of the school year.

Children will need to build their eggmobiles at home and bring them in to compete in the Eggitorium which will happen at the end of the spring term. The event will take the whole morning, and prize giving will happen in the afternoon.

We challenge you to create something wonderful, something whacky, something fast, or something adventurous by way of a vehicle that will carry a hard boiled egg, just as far as a hard boiled egg can go!!!!

MTB Primary School Great Egg Race

Objective

To make an Eggmobile to transport an egg from a starting line at one end of the hall.

Prizes

3 prizes will be awarded to each class, for:
 Furthest distance travelled.
 Most ingenious design.
 Most beautifully made.

Rules

1. The egg must be a hard boiled hen's egg.
2. The eggmobile must be self-propelled.
3. It may be released either from the top of the ramp provided, or from the starting line on the floor.
4. It may not be pushed, thrown, flicked, or otherwise aided by human force.
5. To win the distance prize the egg must arrive intact.
6. The judges' decision will be final.
7. Distance is measured perpendicular to the start line, to the point where the eggmobile stops.
8. Joint entries will only be accepted if from the same class.
9. The eggmobile must be made by at least one of the entrants.

We are mathematicians.

Mathematician

Please do encourage your child/ren to spend time each week accessing our online platforms. It is vitally important that they have this additional time consolidating their 'quick fire' mental math's recall.

We will be introducing weekly times table test from Year 2 and would encourage you to support your children with learning these at home. It is vital that they know all their timetables to 12 – quick-fire as in year 4 they will undertake a National Assessment against the clock.

It is imperative that all children continue to learn and practice their times tables; recall is a skill that the children must continually practice. Please do support your child/ren to access the <https://www.timestables.co.uk/multiplication-tables-check/> and another site Math Frame has many free math's games linked to the National Curriculum <https://mathsframe.co.uk/> I would encourage all children from year 2 to access these and to test themselves on the multiplication –tables check.

It is vitally important that they have this additional time consolidating their 'quick fire' mental math's recall.

Who will be on our leader board next week??????

Numbots highest user:

Reception: Matthew

Year 1: Maya

Year 2: Darcy

Rockstars highest user

Class 1: Rosie

Class 2: Finnley

Class 3: Harrison

"Pupils should be taught to recall multiplication and division facts for multiplication tables up to 12×12 ."

GOV.UK

Annually in June the Year 4's sit the Multiplication test. This is a randomised test of 25 times tables up to 12.

Aspiration we aspire to get a 100% pass rate. In order to achieve this, **we need you** to practice times tables daily.

Children in Reception and Yr.1 should be accessing this platform for at least 10min per week. Logins in your child's reading record

Children in all years from Yr. 1 should be accessing the TTRS platform weekly for at least 20min. Children in Yr. 1 need to know their 2's, 5's and 10's timetables and children in Yr. 2, need to know their 2's, 5's, 10's, 3's, and 4's times tables by the end of the year.

It is imperative that from Yr 1 upwards that you practice their times tables at home with them to ensure that they commit these to their long-term memory. **Please make this as fun as possible for maximum success.**

I go – Dr Seuss
n Mandela

Please continue to support and drive home our Positive Behaviour Policy, three warnings on the board will lead to reflection time either in a parallel class or with myself. The children complete a reflection sheet to assist with de-escalation, regulation and engagement.

MTB's 3Rs Reflect, Reset, Ready to Learn

Musician

We are Musicians

Dan will commence 1:1 music tuition again next week.

For those who are yet to sign up this, it is an amazing opportunity for your child to learn an instrument during the school day.

Dan is a multi-instrumentalist specialising in saxophones, clarinet, EWI and flute with over 11 years' experience in the music industry. He has both classical and jazz training.

As a teacher, Dan is on the faculty of colleges and schools in the Devon teaching individuals and classes. He freelances for the Tavistock Area Learning Community as a class instrument tutor. Please do check out Dan's promotional video following the link

https://drive.google.com/file/d/1FEgZuX3l3aKzg0red_mLt3iDzxQhoKit/view?usp=sharing

Language Acquisition - NELI

One of our areas of School Development this year is around Oracy – the children's ability to communicate and be confident in sharing their voice.

I have, through a couple of contacts at the Department of Education, managed to sign us up as a school to a research project around Early Language Intervention as initially we were not eligible given our school roll. This is a program that has been developed by the Nuffield Foundation. The Nuffield Early Language Intervention (NELI) is a program for children in Reception (4-5 years) and is proven to improve children's language and early literacy skills.

Our place is fully funded by the Department of Education. The program involves targeted small groups and one-to-one support for children who would benefit from additional support with their language and early literacy skills

School Uniform

Thank you for all your help in ensuring your children are wearing the correct uniform and that they are looking super smart and ready to learn. Please follow the link below to order new uniform.

<https://uniformsales.co.uk/school/mary-tavy-and-brentor-primary-school/>

If your children have outgrown their uniform, please do contact Mrs. Bisby, who runs the school pre-loved uniform shop to purchase at a greatly discounted price. Please do email the school office if you would like to arrange to pop in and have a look or would like Mrs. Bisby to pop an item into your child's book bag for you to look at home

Booking is now open for High 5's Easter Holiday Camps - spring into action to get the best Early Bird booking rates!

Easter 2026 sees the return of "I'm a High 5 Camper, Get Me Out of Here!" and this year the jungle just got wilder with even bigger challenges and bolder adventures.

- **Easter Holiday Camps: 7th – 17th April 2026**
- **Bookings for Easter 2026 are officially OPEN!**
- **Get the best prices with early bird rate – available until 9 March only!**

Places are limited so don't miss the chance for your child to join the tribe for a holiday filled with unforgettable memories and fun!

Book Now! <https://campscui.active.com/orgs/High5SportsCamps?season=3782840>

Alongside the tribe battles, star-collecting missions and bush-tucker style challenges your campers already love, we've added some absolute rippers for 2026. We're unleashing Foam Pits and Foam Cannons, firing up a Neon Nightclub for UV Jungle Dance Parties, and rolling out our Celebrity Cyclone Total Wipeout Course where only the bravest campers will conquer the storm.

Campers will battle it out in tribes, earn Golden Stars, collect Dingo Dollars and win Jungle Prizes, all while building confidence, resilience and proper mate-ship. Every challenge is designed to stretch them just enough to grow – without ever feeling out of their depth.

And because every little explorer is different, each site will feature our brand-new Zen Zone. A calm, supervised space where campers can pause, reset and recharge if the jungle buzz gets a bit full-on. Standard days run from 8.30am until 4.30pm, Monday to Friday but if you need your jungle adventurers to stay with us for a longer day then please choose the Extended Day option when booking, which allows you to drop off at 8am and collect them again at 6pm.

Team MTB PTFA

MTB Cake Raffle Congratulations to Savannah on winning the cake raffle today. A huge thank you to Beth and her mum Bex for generously donating the deliciously gooey chocolate brownies.

Chairs: Kayleigh Goodman and Millie Bickell **Treasurer:** Gemma Insole **Secretary:** Janna Sanders
Involvement, help and support in any capacity will be welcomed at any time throughout the year. We have decided that for each event planned in our calendar we will have a Working Party for parents/carers to volunteer their time to organise and run events.

OUR ANNUAL EASTER DUCK RACE 🦆

The children will head down at 2:45pm to Homer farm where there is a lovely little stream to race our ducks!! **All the children** will be entered into the race for their class (we will break it down into 3 races for Rec & Class 1, 2 & 3)

After the class races have finished, we will have an MTB Community Duck Race, where family and friends of MTB can purchase a duck for just £1 and the winning duck will win an amazing Easter hamper.

Ducks are available to purchase on Parent Mail and/or can be bought on the day 😊

Parents are welcome to join us from 3pm at Homer field (opposite the church) but we do ask that you park up at the school and walk down as parking by the church is limited.

After the Duck Races have finished the children will have the opportunity to float their own boats, these could be made from anything from bottles to cartons etc. and they will be able to set their boats sailing down the stream!!

All the children will receive an Easter surprise before they leave for the Easter holidays 💎

Our courageous athletes

Oh my goodness what a wonderful afternoon we have had at the second cross country race of this season.

Our amazing TeamMTB athletes were truly exceptional not only in their true grit and determination to run as fast as they possibly could but also and most importantly in support of one another. It is hard to put into words the team ethos we have at MTB- the children simply champion each and every one of their fellow MTB peers and at events like today our collaboration and care of one another really does shine through above all else. I have tried to capture it for you so that you can see our school family doing what we do best supporting each other to be the best we can be. A huge thank you to our biggest supporters our parents/ carers who cheered on our team throughout each of the races too – Team MTB ♥ ♥

As Miss Porter were leaving school that evening a local resident who was a Marshall on the course stopped them to say how well our children did and how much resilience and determination they had! – you can't ask more than that for the local communities' appreciation of all that we are seeking to

Forest School

Class 2 had a lovely time in the greatly appreciated sunshine this week at Forest School. Mrs Higham our Forest School Lead planned an afternoon of team games in the sunshine followed by time in our brook to make the very most of the beautiful weather.

Enjoy, Learn, Succeed **Reading** is to the mind, as exercise is to the body,
The more you **read**, the more you know, the more you learn, the more place you go – *Dr Seuss*
'Education is the most powerful weapon you can use to change the world' *Nelson Mandela*

And finally.....

♥ 🧑🏫 What a truly wonderful lunchtime play we had on Wednesday in the highly appreciated sunshine ☀️ I felt sooo proud leading the whole school through the village. Our prefects held the hands of our youngest Team Members chatting to them and encouraging them to maintain the pace. The whole school were respectful, courteous and above smiley as they engaged with local residents. The time spent in our school field was truly glorious with the children playing so respectfully with each other. It always makes me feel so proud to see our children living out our school values within the wider community. I was delighted to receive two correspondences from local residents that afternoon complimenting us on how well presented and what beautiful manners our children have. In addition to this another local resident phoned to say it was a pleasure and a joy to hear the children playing so happily in the field. As if my week couldn't get any better, we had **100** attendance three days this week- yayyyyy
