Thank you very much for requesting the details for the post 0.6 FTE EYFS & KS1 Maternity Cover Classroom teacher at TeamMTB

Our aim is to provide the highest quality education for the children in our care at every stage.

We provide a very supportive and positive environment for children to learn. We are extremely proud of the standards our children achieve, not only in their academic work but, importantly, in the way they develop as young people.

Our ambitious curriculum raises children's personal aspirations by providing them with the skills, knowledge, understanding and vocabulary to realise their ambitions.

Our curriculum is built on a foundation of skills that are practiced, and extended each year, and on knowledge and vocabulary that informs and enriches understanding. Through our enriched curriculum offer, all children have wide curricular experiences that broadens their horizons and deepens their learning. The context of our curriculum for the coming year will continue to revolve around our core commitment.

TeamMTB are seeking to appoint an ambitious, energetic and caring Teacher who will work with the headteacher, SLT and team of teachers to support, nurture and maintain the school ethos in line with the vision and values of our school community.
